

## 2304, 2328, 2312, 2310

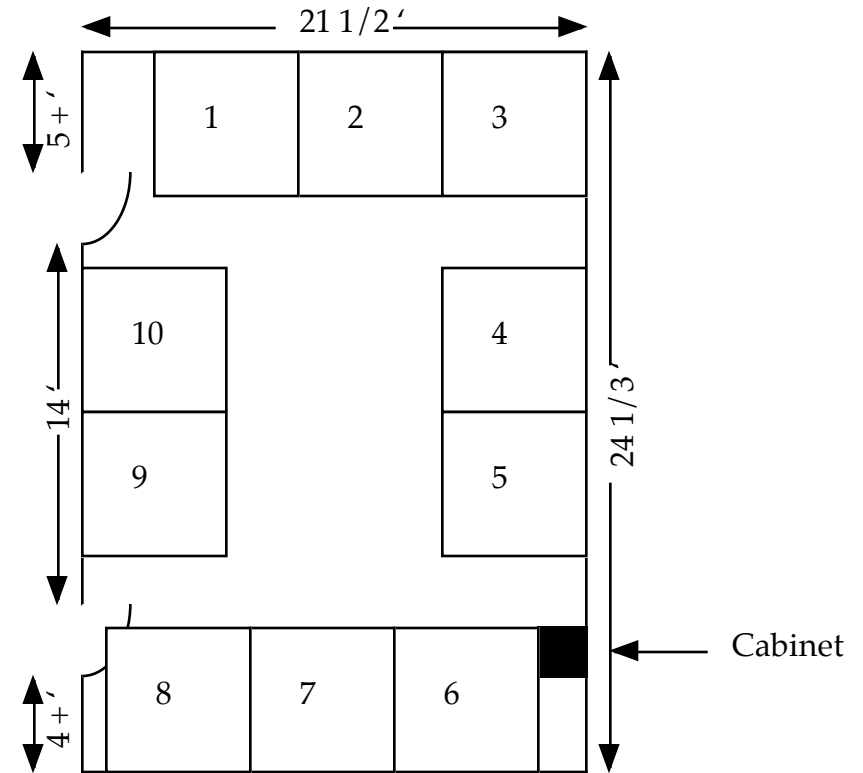

### Sound Producing Rooms

Room 2328 is the exact same size as 2304. Rooms 2312 & 2310 are 4" smaller in width. Each of the rooms has the cabinet in a slightly different place. All rooms will be able to hold 6 tables.

## 2330

### Sound Producing Room

Room can hold 9 tables if both doors are used to enter and leave. If one door is closed off, room can hold 10 tables. I would suggest closing the door.
